

MODES

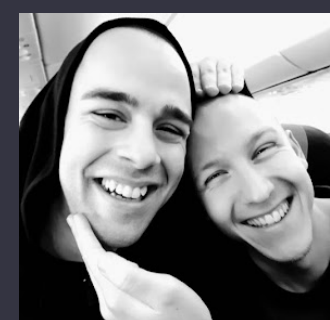

Q&A

Ask ChatGPT any question and receive an answer, such as “what is the capital of Australia?”.

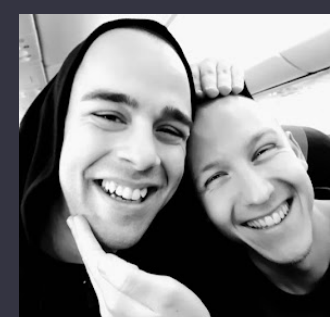

Instructional

Tell ChatGPT to perform a task or generate specific content.

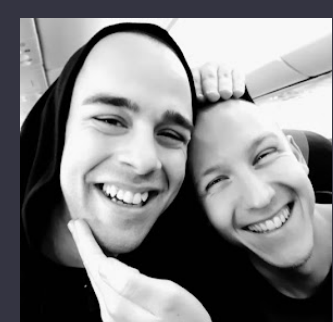

Role-Playing

Ask ChatGPT to play a certain role, like a Shakespearean character or a historical figure.

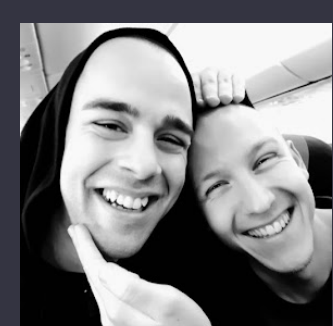

Discussion

Engage in a more complex conversation to exploring any subject in depth with ChatGPT.

Simulation

Ask ChatGPT to simulate a scenario, such as a business negotiation.

Brainstorming

Ask ChatGPT to generate a list of ideas on any given topic.
